

NEW HAMPSHIRE SCHOOL ADMINISTRATIVE UNIT 29
CHESTERFIELD SCHOOL DISTRICT

KHB

ADVERTISING IN THE SCHOOLS

The Chesterfield School District will provide an environment as free as possible from commercial advertising. The School Board believes that public school programs, including student activities, should be fully funded by the school district as well as federal and state revenues. However, the Board also recognizes that it may be necessary to seek alternative funding beyond what is provided by state and local revenues. Businesses and other community organizations may have a financial role in supporting or sponsoring school programs and activities.

Adopted by CSB: 11/8/10
