## CHESTERFIELD SCHOOL DISTRICT

**BHC**

### **BOARD-EMPLOYEE COMMUNICATIONS**

*Also GBD*

The Board desires to maintain open channels of communication between itself and the employees.

#### Staff Communications to the Board

All official reports to the Board or any Board communication from principals, supervisors, teachers, or other employee members shall be submitted through the Superintendent.

#### Board Communications to Staff

All official communications, policies, and directives of staff interest and concern will be communicated to staff members through the Superintendent, and the Superintendent will employ all such media as are appropriate to keep staff fully informed of the Board's actions and concerns.

#### Visits to Schools

Official visits by Board members will be carried on only under Board authorization and with the full knowledge of the Superintendent and principals.

#### Social Interaction

Staff and Board members share a keen interest in the schools and in education generally, and it is to be expected that when they meet at social affairs and other functions, they will informally discuss such matters as educational trends, issues, and innovations and general District problems. However, individual Board members have no special authority except when they are convened at a legal meeting of the Board or vested with special authority by Board action. Therefore, discussions of personalities or personnel grievances by either party will be considered unethical conduct.
