

The Keene Board of Education accepts responsibility for the payment of debt incurred by Keene Food Services resulting from failure of families to pay for their students' meals.

On or before the end of the fiscal year on June 30, the Superintendent will authorize the district to reimburse Keene Food Services for any overdue student accounts that accrued during the school year.

It is agreed that Keene Food Services and Keene School District will work cooperatively to collect the debts from students' families.

Approved KBE: 12/14/10
