

**KEENE SCHOOL DISTRICT  
EFFICIENT EQUIPMENT AND APPLIANCES**

**FAE – ENERGY**

The District will purchase only energy efficient equipment and appliances for the purpose of minimizing energy loads and operational costs. As a guide the Administration is directed to obtain said equipment that shall meet Federal Energy Star guidelines or its equivalent as recommended and/or managed by the NH State Department of Education Bureau of School Approval and Facility Management.

Any equipment rented or leased over a two week period shall, when possible, meet these same guidelines; but any equipment rented or leased for over a two week consecutive time period will meet the guidelines. The Administration is specifically forbidden from purchasing halogen torches and/or portable electric resistance heaters.

Approved KBE: 5/12/09
