Awarding of Credit

A unit of credit or fraction thereof shall be given upon satisfactory completion of a course or learning experience in compliance with the district-specified curriculum and assessment standards. In some cases, course credit may also be awarded based on demonstrated mastery of the required competencies for the course. Assessment of mastery will be the responsibility of the building principal, and will be in accordance with Policy ILBAA, Competency Assessments. Credit will be awarded only once for a specific required course with the same content during the secondary school experience.

Alternative Credit Options

In some cases, credit may be earned through alternative methods outside of regular classroom-based instruction offered by the district schools. Awarding of credits to be applied toward high school graduation will be determined by the high school principal, and will be granted according to the provisions of Policy IMBC, Alternative Credit Options.
