Competency Assessments may be conducted if evidence of an approved standardized achievement assessment has not been provided.

A student transferring into the school district will be placed in the grade level and class that best meets the student's needs, after review of the records from the student's prior school, and after consultation between the building principal and the student's parents.

Students receiving special education services will be placed in accordance with applicable law.

The decision of the building principal regarding student placement upon enrollment may be appealed to the Superintendent.
