National Honor Society Scholarship to KHS Senior John Szot

Keene, NH ... Keene High School senior John Szot, son of Ann and Carl Szot of Keene, has been awarded a \$1,000 National Honor Society Scholarship by the NASSP (National Association of Secondary School Principals). John was one of 150 finalists chosen among 6,000 applicants.

Participating high school National Honor Society chapters from across the country nominate two senior high members to compete in this program. Finalists were selected on the basis of their leadership skills, participation in service organizations, clubs and other student groups at school and in the community and their academic record.

"We are proud to recognize John for his outstanding achievements and contributions to his school," said David Cordts, associate director of NHS. "Students nominated for this NHS scholarship not only demonstrate academic excellence, but also extraordinary performance in service, leadership, and character – traits that are more important today than ever before. In recognizing leadership and involvement in student activities as well as strong academic performance, the NHS scholarship acknowledges the importance of a well-rounded education."

John will attend Villanova University in Pennsylvania on a Presidential Scholarship, which pays for all expenses including tuition, room, board, a research stipend, books and a laptop
